

Bridgend County Borough Council – Home School Links Project

Two Child and Parent Support Workers will identify the risk and protective factors in a child's home or school circumstances which are contributing to under-achievement. They will work with the child, the family and the school to address these issues and to raise the child's attainment. The Child and Parent Support Workers will be members of a wider On Track Team, and be able to draw on resources in social care, education and health to assist them in meeting agreed goals.

The Child and Parent Support Workers will cover the areas of Maesteg, Bettws and Cornelly. If you live in these areas or know of someone who would benefit from this service, then please fill out a referral form and send to these to the address below. Alternatively, you can contact the Programme Manager on 01656 810012.
