

**Rhondda Cynon Taff County Borough Council – Home School Links Project**

**RHONDDA CYNON TAF**

**Two part time Transition Workers have been employed here and will be based at the Penywaun Family Centre where they will form part of the Action for Children Team. They will provide support to schools within the Aberdare Cluster. Transition work will be undertaken with every year 6 pupil in this cluster. Once the children have got to know the staff, confidence boosting work will be done with them, and the towards the end of the Summer Term, transition will be focused on. They will promote social inclusion by ensuring that children in need of additional support are able to receive it in their mainstream school setting. Parent discussion groups are held weekly, and these are parent led. Guest speakers also attend the discussion group to give advice, support and guidance. The team are also planning to organise family trips that aim to strengthen and bond the family unit.**
