

Swansea County Borough Council – Home School Links Project

The Home School Links Officer for this area will work alongside two community schools in order to build an ongoing liaison between family and schools. The Officer will provide 1:1 support in homes, breaking down barriers to attending school and supporting parents to enable them to engage with their children's education. The Officer will also increase the capacity of families to better understand the education system and how schools work.

The Home School Links Officer for Swansea plans to run the following initiatives:

- **Dinosaur Programme (a self esteem programme delivered to schools).**
- **Super Dads Group (to engage Dads with school).**
- **Craft activities for parents (school engagement tool).**

If you would like any more information about the project in Swansea then please contact the Home School Links Officer on 01792 612155.
