### NOTES

- \* Children/young people, on behalf of whom a preference has been expressed, will be given priority. Failure to express a preference by submitting an application form will make it less likely that the child/young person will be able to attend a school of his/her parent/carer's choice.
- \* Attendance at a nursery class within a primary or infant school **will not** guarantee a place in the school's reception class. An application form must be submitted at the appropriate time.
- \* All first preferences will be met except where the number of applications exceeds the number of places available. In such cases, places will be allocated on the basis of the published oversubscription criteria.
- \* *If there are more applicants than places available, the Authority will admit children in the following order of priority :*

**Priority Category 1:** 'Looked After' children (children in public care) and previously 'Looked After' children.

**Priority Category 2:** Children whose home is inside the school's catchment area and have an older sibling attending the school from the same address, at the date of application, who will continue to attend that school in September 2017.

**Priority Category 3:** Children whose home is inside the school's catchment area who do not have an older sibling attending the school.

**Priority Category 4:** Children whose home is outside the school's catchment area and have an older sibling attending from the same address, at the date of application, who will continue to attend that school in September 2017.

**Priority Category 5:** Children whose home is outside the school's catchment area who do not have an older sibling attending the school.

For the avoidance of all doubt the reference to 'home' in the oversubscription categories above and the 'tie breaker' below refers to the actual location of the residential dwelling in which the child lives. **Please note that:**

- childcare/childminding arrangements or a parent's place of work cannot be taken into account when applying admissions criteria.
- The date a parent/carer requests with a school that their child's name be put on their school's initial list is not a criteria for entry and does not guarantee a place; it merely enables an application form to be sent out at the correct time.
- Children will be classified as siblings if:
  - (a) they are half or full brother or sister
  - (b) they are an adoptive brother or sister
  - (c) they are children living full time/permanently in the same household
- Please note that cousins, nephews and nieces are not counted as siblings.
- In relation to secondary school, siblings must be in years 7 to 11 of the relevant school in September 2017.

#### **Tie breaker**

Children will be admitted up to the Admission Number in order of priority as outlined above. If, within any one of the priority categories listed, all the applicants cannot be offered a place, preference will be given to children living nearest to the school. Distance will be measured by the authority using the shortest, safe walking route between the home address and the nearest open school gate. For the avoidance of doubt, in areas where no safe walking route has been identified by the authority, the shortest driving route between the home address and the nearest open school gate will be used. The distance will be measured by using the authority's 'mapping schools' electronic system only, in order to ensure equality of opportunity to all applications. Measurements calculated by any other system will not be considered. The home address in instances where parents have shared responsibility for children, will be the address to which Child Benefit is paid.

'Looked after children' will also be admitted to a chosen school outside of the normal admissions round. The admission cannot be refused unless doing so would seriously prejudice the provision of efficient education or the efficient use of resources.
