Multiply Merthyr Tydfil is looking for warm and welcoming spaces for community members to meet, socialise and thrive.

Can your organisation play a role in making this vision a reality?

What we're looking for from partner venues:

✔ A Warm Welcome:

A cozy and inviting atmosphere with friendly support staff.

✔ Refreshments & Meals:

Offer access to enhance the community experience.

✔ Information & Guidance:

Help us signpost to local services, making a real impact in the community.

Together, we can make a difference!
